

Activities for Families in 2017

The Eling Experience PROJECT

Although The Eling Experience is closed while we deliver our refurbishment Project, we still have lots going on. And thanks to support from the Heritage Lottery Fund, our activities are free! We just ask for a little feedback so we can tell our funders how we're doing. As these are family activities, we ask that you stay and enjoy them with your children. www.elingexperience.co.uk
